

# Notes on South African Income Tax 2012

*31 years of excellence*

**Hedron Tax – Phillip Haupt**

For 31 years Notes on South African Income Tax has been the leading tax textbook and tax reference book in South Africa. It has set the standard for others to follow and emulate.

The 2012 edition (the 31<sup>st</sup> Edition) will be available on the 10<sup>th</sup> of January 2012, and will be couriered (when available) to all those who place their orders now and pay the publisher's price of R660 (which includes VAT and delivery charges).

We would also like to thank all our loyal subscribers for your feedback, helping us improve this book year on year.

Additional material (such as the new chapter on **Corporate restructurings, Mergers & Acquisitions**) arises out of Phillip Haupt's extensive tax consulting experience, and knowledge of what is important to tax practitioners and students alike. The following chapters have undergone extensive change:

- Partnerships, companies and close corporations
- Corporate restructurings, Mergers and acquisitions
- Dividends, dividends tax & secondary tax on companies
- Foreign income & non-residents
- Retirement benefits & planning
- Miscellaneous provisions
- Capital gains tax
- Value-added tax
